Last Meeting: Sunday, November 13th was our last meeting with Laurel Maze, JoAnn Adams, Gene Rod and Diana Rod in attendance. We watched the video “Winged Migration”.

Next Meeting: Our meeting will be on January 8, 2012 at the University of Illinois Extension Office basement. We will meet at 2:00 pm. The address of the office is 1689 N 31st Rd which is North Rte 23 and Dayton Roads. The main purpose of this meeting is to set-up the programs for the 2012 year. Before we can really set the programs we need to make some decisions on our organization.

1. **How many programs do you want in a year?** We currently have been having 8-10 a year. Because of attendance, economy, and conflicting meetings of many other organizations; should we change ours to
 - a. **Every couple of months**
 - b. **Quarterly**
 - c. **Leave the way we are**
2. **What type of programs?**
 - a. **More indoor**
 - b. **More tours**
 - c. **Combination of both**
3. **Are you interested in continuing the Native Plant Sale?**
4. **What ideas do you have for programs? Specific place to tour, special video, etc!!!**
5. **Is someone willing to make the plans for each of the meetings or preside over meetings?**
We will need an election of officers in the near future.
