Last Meeting: Our last meeting was on January 9, 2011 at the University of Illinois Extension Office. Five people were in attendance. The meeting was called to order at 2:08 pm. Gene Rod made a motion to accept the minutes at mailed & e-mailed, seconded by Nancy Maze. The motion carried. The treasurer's report was also given. We spent the meeting time planning programs for this year's meetings.

Next Meeting: The meeting will be Sunday, March 13, 2011. We will be back to the Extension Office basement at the corner of Rte 23 and Dayton Roads in North Ottawa. The meeting will begin at 2:00 pm. This meeting we will be viewing a video on the AMLR Program Overview in Antarctica. This overview includes Cape Shirreff, Livingston Island, Dolphin Dance, Zooplankton, and A Day at Elephant Island.

We will also be discussing officers, plant sale, and donations.

The web address here is fun to look at. It is the birth of a hummingbird and is 5 pages.
