

UNIVERSITY OF ILLINOIS
EXTENSION

August 31, 2009

Dear Principal,

We are happy to announce that the Natural Resource Education program sponsored by LaSalle County Soil and Water Conservation District and University of Illinois Extension LaSalle County Unit is alive and well. I am ready to begin scheduling programs for students in Kindergarten through sixth grade in the LaSalle County schools.

I would greatly appreciate your distribution of this information to the teachers in your building. I look forward to the opportunity of helping your teachers educate the students of LaSalle County with fun and useful information regarding conservation and our natural resources. Thank you very much.

Sincerely,
Linda Roberts
Natural Resource Education
