|  |         | <b>Total</b> |  |

**RAIN BARREL**

All rain barrels are 35 to 40 inches tall. Upcycled and sanitized plastic barrels formerly used for food product shipping. Modified into rain barrels and assembled with a spigot, linking fitting at bottom end, overflow fitting near top and screen enclosure for top and using the accessories listed. Includes one set of instructions for each barrel to aid in setup, using, and maintaining barrels.
