Spring Nature Day

The LaSalle County Soil & Water Conservation District is hosting a Spring Nature Day for **third** grade students. The program will be held at the Rasmusen Natural Area in Northville Township. Dates for the event are your choice of April 28 or 29. You may choose to attend either the morning or afternoon session. The morning program will be from 9:30 a.m. to 11:30 a.m. The afternoon program will be for 12:00 noon to 2:00 p.m. Reservations are limited and will be assigned on a first come basis. If the date you select has already been filled, we will contact you to see if you would be willing to change your date. Confirmation information will be sent out the last week of April. **RSVP by 3/26/10. After registrations are turned in, directions and event information will be sent to participating schools.**

To avoid poison ivy, students are urged to stay on the trails and wear suitable clothing. No opened-toed shoes, please. ***In the event of inclement weather, the program will be cancelled for that day. We will call your school by 8:00 a.m. with any cancellations.***

LaSalle County SWCD is not responsible for accidents or injuries.
